### **TITLE**

Approval to award RFP2017702 Construction Auditing Services - Gerald Adams to RSM US LLP

### **BACKGROUND INFORMATION**

RFP 2017702 was released to the public on September 24, 2016 via Demand Star. 518 suppliers were notified, 23 bid packages were downloaded and 5 packages were received. On October 17, 2016 the Audit and Finance Committee met to review and rank the bid proposals to determine a short list for interviews. On November 14, 2016 the AFC committee met again to hear those interviews and decided to award a joint award with RSM being selected as first place and CRI being selected as the 2nd place. In this type of award the jobs are awarded 1st to No1 ranked and then 2nd to No 2 and we continue that rotation barring any conflicts between firms. Seeing as we have three construction jobs in process (Plantation Key, Gerald Adams and Stanley Switlik), all three have been awarded with NTE amounts for each contract listed at \$50,000 with Gerald Adams being awarded to RSM US LLP.
