Re: Site Warranty Authorization – Monroe County Schools – Fort Myers, FL

This letter is to confirm that Integrated Fire & Security Solutions, Fort Myers, FL is authorized to receive a limited **15-Year Product and Performance Warranty** for the structured cabling installation for the Monroe County various schools within state of Florida. The project will consist of Leviton Network Solutions structured cabling products installed in conjunction with Berk-Tek cabling. The warranty will be issued by Leviton Network Solutions in accordance with the terms and agreements of the Single Site Warranty Program.

Integrated Fire & Security Solutions agrees to provide all necessary project documentation and certification test results for the installation of each school in compliance with Leviton's Site Warranty policies.

This site warranty authorization applies specifically to the project named above, and does not constitute authorization to receives warranties from Leviton outside of the stated project.
