**5610.02 - IN-SCHOOL DISCIPLINE**

It is the purpose of this policy to allow for an alternative to out-of-school suspension. ~~The availability of in-school discipline options is dependent upon the financial ability of the School Board to support them.~~

~~"In-school suspension" means the temporary removal of a student from the school's regular school program and placement in an alternative program under the supervision of Board personnel for a period not to exceed ten (10) school days.~~

In-school discipline includes (X) detention (X) in-school restriction (X) Saturday School (X) in-school suspension, which is the temporary removal of a student from his/her regular class(es) and assigning the student to a location in the building under the supervision of School Board personnel for a period not to exceed ten (10) school days.

Students assigned to in-school suspension will be given credit for all classroom assignments completed provided the student submits the assignments upon return to his/her class.

In-school discipline will ~~only be offered~~ at the discretion of the Principal for offenses found in the Student Code of Conduct/Student Discipline Code.

The Superintendent is to establish administrative procedures for the proper operation of such programs. As long as the in-school disciplinary alternatives are served entirely in the school setting, they will not require any notice, hearing, or appeal rights.
