Whereas, the parties desire a written agreement between them providing the terms by which the School Board agrees to convey the subject property and the City agrees to accept title to the subject property.

NOW THEREFORE, in mutual consideration of the benefits that will accrue to the parties in faithfully abiding by the terms of this Agreement, School Board and City agree as follows:

1. In consideration of Ten Dollars (\$10.00) in hand, paid by the City, the receipt of which is hereby acknowledged, and the mutual conditions and covenants contained herein, the School Board agrees to convey to the City certain real property upon the terms and conditions hereinafter set forth, at no cost to City, for all of the real property and other interests, which real property shall include all tenements, hereditaments, together with all water and other rights, easements, appurtenances, and any and all of the School Board's rights in or arising by reason of ownership thereunto belonging, owned by the School Board, situate and lying in the County of Monroe, State of Florida, more particularly described as follows; to-wit:

(see exhibit A) , (hereinafter "Property").

The said conveyance of the Property shall take place on a date mutually agreeable to the parties. However, in no event shall the conveyance take place no later than 30 days after the expiration of the inspection period provided for in paragraph 10 below.

2. The School Board agrees that it has the full right, power and authority to convey, and that it will convey to the City the fee simple title together with legal and practical access thereto clear, free and unencumbered, except subject to the following easements or reservations:

Existing easements for canals, ditches, flumes, pipelines, railroads, public highways and roads, telephone, telegraph, power transmission lines and public utilities.

The City, at the City's expense, within the time allowed to examine evidence of title, may have the real property surveyed and certified by a registered Florida surveyor. If the survey discloses encroachments on the real property or that improvements located thereon encroach on setback lines, easements, lands of others, or violate any restrictions, contract covenants, or applicable governmental regulations, the same shall constitute a title defect.

The School Board shall convey title to the property subject only to the aforementioned liens, encumbrances, exceptions or qualification set forth herein. Marketable title shall be determined according to applicable title standards adopted by authority of the Florida Bar and in accordance with law. The City shall have ninety (90) days from the effective date of this Agreement in which to examine title. If title is found defective, the City shall, within this specified time period, notify School Board in writing specifying defect(s). If the defect(s) render title unmarketable the School Board may, in its sole discretion, have one hundred twenty (120) days from receipt of notice within which to remove the defect(s), failing which the City shall have the option of either accepting the title as it then is or rescinding the contract herein; thereupon the City and the School Board shall release one another of all further obligations under this Agreement.

3. The School Board further agrees not to do, or suffer others to do, any act by which the value or title to said real property may be diminished or encumbered. It is further agreed that any loss or damage occurring prior to the vesting of satisfactory title in the City by reasons of the unauthorized alteration of the improvements located on the subject property, or because of fire or other natural causes, shall be borne by the School Board; and that, in the event any such loss or damage occurs, the City may refuse, without liability, to accept conveyance of the subject property, or it may elect to accept conveyance of the subject property.
4. The School Board further agrees that during the period covered by this instrument officers and accredited agents of the City shall have at all proper times the unrestricted right and privilege to enter upon the Property for all proper and lawful purposes, including examination of the subject property and the improvements located thereon.
5. The School Board will execute and deliver upon demand of the proper officials and agents of the City a good and sufficient quit-claim deed conveying to the City title to the Property of such character as to be satisfactory to the legal counsel of the City and said deed shall provide that the use, occupation and operation of the rights-of-way, easements and reservations retained therein, shall be subordinate to and subject to such rules and regulations as may be prescribed by the City governing the use, occupation, protection and administration of the Property. Further, the said quit-claim deed shall contain a restrictive covenant and reverter clause restricting the use of the Property to public purposes.
6. The City shall pay the following expenses associated with the conveyance of the Property: deed recording fees, settlement fees, abstract fees, title examination fees, the City's attorney's fees, and title insurance, as well as the prorata share of prepaid real property taxes allocable to the period subsequent to the vesting of title in the City, or the effective date of possession of the Property by the same, whichever is earlier. The School Board shall pay the expenses of documentary stamps to be affixed to the deed, if applicable. Full possession of the Property shall pass to the City as of the date the deed is tendered to the City subject only to the reservations stated in Section 2 above.

7. It is mutually agreed that an abstract, title insurance policy or other evidence of title to the Property herein contracted to be conveyed, satisfactory to the legal counsel of the City will be obtained by the City at its expense. The School Board expressly agrees herein to furnish to the City any documents in School Board possession establishing evidence of title including, but not limited to, abstracts, title commitments, title policies and opinions of title.
8. It is mutually understood and agreed that the City may not assign this contract.
9. It shall be the obligation of the School Board to pay all taxes and assessments outstanding as liens at the date title vests of record in the City, whether or not such taxes and assessments are then due and payable.
10. City will, at City's expense and within 90 days from Effective Date ("Due Diligence Period"), determine whether the Property is suitable, in City's sole and absolute discretion, for City's intended use and development of the Property. During the Due Diligence Period, City may conduct any tests, analyses, surveys and investigations ("Inspections") which City deems necessary to determine to City's satisfaction the Property's engineering, architectural, environmental properties; zoning and zoning restrictions; flood zone designation and restrictions; subdivision regulations; soil and grade; availability of access to public roads, water, and other utilities; consistency with local, state and regional growth management and comprehensive land use plans; availability of permits, government approvals and licenses; compliance with Americans with Disabilities Act; absence of asbestos, soil and ground water contamination; and other inspections that City deems appropriate to determine the suitability of the Property for City's intended use and development. City shall deliver written notice to School Board prior to the expiration of the Due Diligence Period of City's determination of whether or not the Property is acceptable. City's failure to comply with this notice requirement shall constitute acceptance of the Property in its present "as is" condition. School Board grants to City, its agents, contractors and assigns, the right to enter the Property at any time during the Due Diligence Period for the purpose of conducting Inspections; provided, however, that City, its agents, contractors and assigns enter the Property and conduct Inspections at their own risk. To the extent permitted by law and subject to the provisions and monetary limitations of Section 768.28, Florida Statutes, the CITY, to the extent of the School Board's potential liability pursuant to section 768.28, Florida Statutes, does hereby agree to defend, indemnify and hold the School Board, its officers, and employees, harmless from and against any and all liability, damages, costs or expenses (including reasonable attorneys' fees, costs, and expenses at both the trial and appellate levels) arising from the acts or omissions of the CITY or any third party vendor contracted by the CITY arising from the conduct of any and all inspections or any work authorized by City. City will not engage in any activity that could result in a mechanic's lien being filed against the Property without School Board's prior written consent. In the event this transaction does not close, (1) City shall repair all damages to the Property resulting from the Inspections and return the Property to the condition it was in prior to conduct of the Inspections, and (2) City shall, at City's expense, release to the School Board all reports and other work generated as a result of the Inspections. City may waive all or any part of the inspection period.

Walk-through Inspection: City may, on the day prior to closing or any other time mutually agreeable to the parties, conduct a final "walk-through" inspection of the Property to determine compliance with this paragraph and to ensure that all Property is on the premises.

11. The property shall be delivered at closing free of any tenant or occupancy whatsoever.
12. This Agreement shall become effective upon execution by both parties and may be executed in counterparts, each of which shall be deemed an original and all of which together shall be

considered the same agreement.

13. This Agreement is contingent upon School Board's receipt of approval to convey the Property pursuant to the Florida Inventory of School Houses and other related processes.
14. Except as specifically provided for in this Agreement, each provision of this Agreement shall survive the conveyance of the Property from School Board to City.
15. In the event that any cause of action or administrative proceeding is instituted for the enforcement or interpretation of this Agreement, the School Board and City agree that venue will lie in the appropriate court or before the appropriate administrative body in Monroe City, Florida. The School Board and City further agree that, in the event of conflicting interpretations of the terms or a term of this Agreement between the School Board and City, the issue shall be submitted to mediation prior to the institution of any other administrative or legal proceeding. Additionally, the School Board and City agree that in the event any cause of action or administrative proceeding is initiated or defended by any party relative to the enforcement or interpretation of this Agreement, the prevailing party shall be entitled to reasonable attorneys' fees, court costs, investigative, and out-of-pocket expenses, as an award against the non-prevailing party. Mediation proceedings initiated and conducted pursuant to this Agreement shall be in accordance with the Florida Rules of Civil Procedure and usual and customary procedures required by the Circuit Court of Monroe City.
