

Stephanie is teaching from her classroom, face-to-face and virtually! Facilitating engaging lessons to both groups simultaneously, her classes

include interaction between both groups of students – tandem computer usage so they are still linked together as a whole group, and input from both sets of students. She inspires learning and is PAWsome!

Mr. Paul Baldy and his Paraprofessionals Team successfully welcomed back HOB's most vulnerable 6th-8th grade students, face-to-face. With preparation and assistance provided by teachers and staff, this Paraprofessional team navigated their day in the classroom room while wearing face masks and adhering to MCSD and CDC guidelines. We appreciate their great efforts!
