

Title:

B.E.S.T. Mathematics District Lead Professional Development

Background Information

The Florida Department of Education is pleased to announce the next phase of implementation training specific to the B.E.S.T. Standards for Mathematics. Participants of this event can expect to 1) increase their knowledge of the B.E.S.T. Standards for Mathematics, 2) gain resources for their district to implement the B.E.S.T. Standards for Mathematics with fidelity, 3) actively engage in student-centered instruction, and 4) take part in a community of learners and leaders with their peer districts.

The event is organized into four tracks: elementary school, middle school, high school and leadership. We are asking school district superintendents to identify district leads based on the available participant allocation for each of the four tracks. Identified district leads should include district administrators, district mathematics specialists, school administrators and teacher leaders. Monroe County School District is part of the South Region held at Gulf Coast High School, Collier County Public Schools, Naples, Florida.

July 27-29, 2021

MCSD state allocation is a total of 12 people

District	Elementary	Middle	High	Leadership	Team (Total)
Monroe	3	3	3	3	12

Recommend to Approve - Travel to B.E.S.T. Mathematics District Lead Professional Development Naples, Florida.

Andy Tuck, *Chair*

The Florida Department of Education is pleased to announce the next phase of implementation training specific to the B.E.S.T. Standards for Mathematics. Participants of this event can expect to 1) increase their knowledge of the B.E.S.T. Standards for Mathematics, 2) gain resources for their district to implement the B.E.S.T. Standards for Mathematics with fidelity, 3) actively engage in student-centered instruction, and 4) take part in a community of learners and leaders with their peer districts.

Region	Location	Dates
North	Santa Rosa School District School Site TBD Milton, FL	July 13-15, 2021
Central	George Jenkins High School 6000 Lakeland Highlands Road Lakeland, FL 33813	July 20-22, 2021
South	Collier County Public Schools School Site TBD Naples, FL	July 27-29, 2021

The event is organized into four tracks: elementary school, middle school, high school and leadership. We are asking school district superintendents to identify district leads based on the available participant allocation for each of the four tracks. Identified district leads should include district administrators, district mathematics specialists, school administrators and teacher leaders. Please see the attached table, *2021 B.E.S.T. Mathematics District Lead Allocation*, to determine the number of guaranteed registrations per district per track. Registration for guaranteed slots will begin on March 27 and continue to April 9, 2021. Open registration will begin on April 10 and continue until May 14, 2021.

This event will feature the newly developed B.E.S.T. Instructional Guide for Mathematics (B1G M). Visit the [2021 B.E.S.T. Mathematics District Lead Professional Development](#) website or contact PJ Duncan at Patricia.Duncan@fldoe.org or (850) 245-0808 for more details. We look forward to your participation in this exciting professional development opportunity as we prepare to implement the B.E.S.T. Standards for Mathematics.
