

FOIL Spring 2021 Conference

Dear FOIL members,

We are excited to announce our Florida Organization of Instructional Leaders Spring Conference May 12-13, 2021 will be offered Face to Face at the Lake Mary Marriott. Our conference has been booked for these dates for a couple of years, however our FOIL Board needed time to finalize the format of this conference.

Due to space limitations, we are asking for no more than 3 participants per district to attend FOIL. If larger districts would like additional participants to attend, you will need to send your request to foilflorida@gmail.com. You will be notified of availability if we have extra space.

The detailed agenda will be posted a week prior to the conference. The agenda will focus on Florida Department of Education updates, including education bills that passed in 2021 and other current topics.

The registration fees are \$125.00.

Registration closes on April 30th. School districts are required to register by after this date, the open seats will be made available to the districts requesting to send more members to the conference.
