Safety & Security Update

- Safety and Security
- Mental Health Requirements
- Youth Mental Health First Aid
- Mental Health Initiatives

To Excellence in the Monroe County Schools

Alyssa's Alert

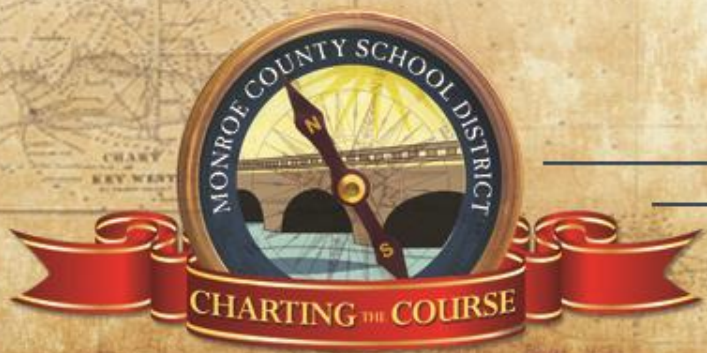

- In honor of Alyssa Alhadeff, one of 17 victims of the tragedy at Marjory Stoneman Douglas High School
- Senate Bill 70 provides an extra layer of protection in Florida's schools.
- Schools must be outfitted with mobile panic alert systems by the start of the 2021-2022 school year.
- The systems will enable all school staff to silently and easily contact law enforcement to respond in the case of an on-campus threat or crisis.

Five Hour Required Mental Health Education

- Fully online program- Purpose Prep
- Purpose Prep was created to meet the needs of the 5-hour requirement
- Used in multiple Florida districts, making the data transferable for students
- Lessons were delivered weekly to students
- Verification field added in FOCUS

To Excellence in the Monroe County Schools

Youth Mental Health First Aid

- Training has transitioned to a blended model
 - 2 hours delivered through self-paced online course
 - 2-4 hours delivered in person or through a virtual platform
- This year 319 staff have been successfully trained and certified in YMHFA
 - 190 of those staff completed the requirement through our Early Release Professional Development
 - Over 730 staff have been trained in YMHFA since we began providing training

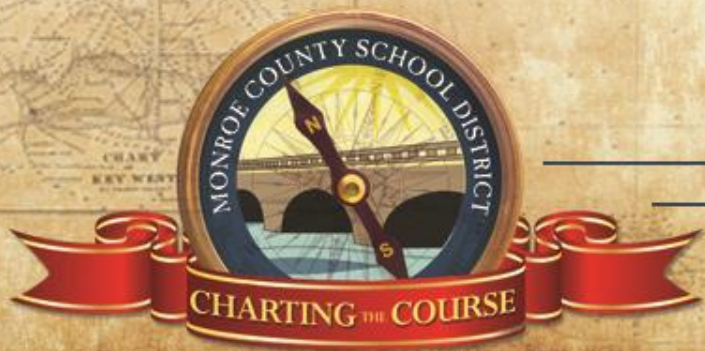

To Excellence in the Monroe County Schools

Mental Health Initiatives

- Boys and Girls Club – Out of School Time (KW and BPK), pilot and then expand
- CHI – Expanded psychiatric and mental health services
 - referral system developed just for MCSD
- DAPPS – Developing monthly SEL themes for 21-22
 - Student, teacher and parent components for a whole child effort
 - Themes derived from school climate survey from the fall
 - USF completing qualitative data analysis of 3206 student comments from screener
 - Updating all MTSS materials and embedding restorative practices into prevention and response protocols
- GCC Lunch and Learns on Suicide Prevention – ~160 community participants
- Making updates to district Crisis Intervention and Behavioral Threat Assessment paperwork
- Ensuring School Counselors and School Social Workers have monthly behavior and mental health data chats with GCC, MFLC and other agencies
 - Supports coordination of care and school-community connection
- Visiting all schools to talk directly to students about what worked, what did not work, what they like and what we could do better when it comes to their social and emotional wellness...letting them know their voice matters
