GROUP 2 - Parts and Materials				
Item #	Description	Estimated Annual Cost for Parts and Materials	Proposer's maximum mark-up percentage for Parts, Materials and Supplies	Total Estimated Annual Parts/Material Spend (Est. Annual Cost + (Est. Annual Cost x maximum markup percentage))
	Maximum mark-up percentage: All roofing supplies and materials (to be furnished by Contractor if and when requested by BC) under this contract shall be at Contractor's actual cost plus mark-up of no greater than maximum mark-up percentage bid. Documentation of awardee's cost must be provided with bonafide complete itemized invoices from the supplier showing materials/supplies purchased and Proposer's cost. Proposer's bid for the maximum mark-up % shall not exceed ten percent (10%) for these parts, materials and supplies.			
A		\$83,000	9.50%	\$ 90,885.00
			Group 2 Sub-Total	\$ 90,885.00
	GRAND TOTAL GROUPS 1 & 2 (IN NUMERALS)			\$ 106,390.00
	1) Subcontracting / Specialty Contractors hired by the Awardee for services under this contract will be provided on a strictly COST PLUS maximum of 10% arrangement only. Documentation of awardee's subcontractor costs must be provided with actual invoices from the subcontractor. The cost-plus mark-up for these subcontractor services cannot exceed 10%.			
	2) Unit prices must be inclusive of response time, travel time from portal to portal, time for the preparation of estimates, supplying or acquiring materials, attending mandatory pre-job conferences, and the administration of the Agreement by the Bidder for the processing of submittals, shop drawings, permits, invoices or paperwork. There will be no separate charge to BC for any of these tasks. Unit prices billed must be for the hourly labor cost for actual work performed on the jobsite only.
