TITLE

Approval of Contract with Hydrologic Associates U.S.A., Inc. for Pre-Demo Asbestos Abatement and Air Clearance Services

BACKGROUND INFORMATION

An email pricing request was sent to three vendors requesting a proposal for Pre-Demo Asbestos Abatement and Air Clearance Services for Popcorn Ceiling Abatement at the Transportation Internal Services Facility located at 5330 2nd Avenue on Stock Island. Three proposals were received, however, one is not able to provide the full scope of services to include Air Clearance. Providing this service would require hiring an independent third-party entity. The proposal from Hydrologic Associates U.S.A., Inc. was selected for recommendation.
