TITLE

Approval of Award of ITB 2019905 Sugarloaf School Athletic Field Maintenance to Brighview Landscape Services, Inc.

BACKGROUND INFORMATION

Work was solicited via ITB 2019905 Sugarloaf School Athletic Field Maintenance. The ITB was advertised via DemandStar, local newspaper, and the District's website. 311 vendors were sent notices and 4 vendors downloaded plans. One vendor attended the mandatory prebid meeting and submitted a bid response. This response was reviewed by a selection committee for compliance with the specification requirements. The proposal was determined to be responsive and responsible, however the price was higher than anticipated. As this was the only bid received, District Purchasing staff, along with the Maintenance Director, held a meeting on December 5th with Brighview to discuss the pricing and verify what they had included in that price. A best and final offer was requested for review. That offer was provided at the meeting which resulted in the contract amount which fell within the budgeted amount for this service. It is therefore the recommendation of the committee to award to Brighview Landscape Services.
