TITLE

Presentation of District Instructional Materials Committee K-12 Mathematics Selection 2019-2024

BACKGROUND INFORMATION

Per FS. 1006.28 and 1006.283, each district shall complete a thorough adoption review process for the procurement and adoption of core content materials. For the 2019-2024 K-12 adoption cycle, mathematics has been reviewed and selected via designated committee comprised of representatives from each school. Per 1006.28, presentation of selected materials will be provided to the school board for review, and after completion of a 30 day public review cycle, presented to the school board for adoption.
