### **TITLE**

Approval of VPK and School Readiness Contracts for 2019-2020 School Year

### **BACKGROUND INFORMATION**

To receive early learning state funding annually, the Voluntary Pre-Kindergarten (VPK) contract and School Readiness contract must be approved. The VPK contract is used to fund stand-alone Pre-Kindergarten classrooms in our public school setting. School Readiness dollars are used to fund wrap-around services for children ages 3-11 at four of our elementary schools, as noted in the contract.

### **RECOMMENDATION**

Approval of VPK and School Readiness Contracts
