TITLE

Approval of District Educational Facilities Five Year Work Plan

BACKGROUND INFORMATION

Section 1013.35, Florida Statutes, requires the preparation of a five-year District Facilities Work Plan adopted by the School Board as part of the district educational facilities plan that is required to properly maintain educational plant and ancillary facilities of the District and provide an adequate number of student stations. This document meets all the requirements of Section 1013.35, Florida Statutes.

Contract Originator: James Drake, Executive Director, Finance and Performance

Board Meeting Date: November 19, 2019

RECOMMENDATION

Approval of District Educational Facilities Five Year Work Plan
